### **MESSAGE FROM THE HEADTEACHER**

Dear Parents/Carers,

Next week is parents' evening, on Tuesday and Thursday. Please do sign up for an appointment, so that you can discuss your child's progress so far this year.

Next week, we are celebrating **World Book Day on Friday 8<sup>th</sup> March**. This year, we are encouraging children to come to school in comfy clothes and bring in a favourite book of theirs. This is a great opportunity for children to share their love and enthusiasm for reading. Each phase will be learning about a different author on that day.

On Wednesday 13<sup>th</sup> March, children in KS1 and KS2 will be taking part in science workshops, in celebration of the national Science Week. This will be exciting for children to take part in, and to explore and develop their love of science. This is a free workshop for children that school is paying for, as we feel that it will be a valuable opportunity for all children to take part in.

Good luck to our school football team, who are playing against Fairhaven next Friday. We wish you all the very best!

Have a lovely weekend.

Many thanks,

Jon Stevens

#### **WORLD BOOK DAY**

#### Friday 8th March

Next week, in celebration of World Book Day, we are asking children to come to school in comfy clothes with their favourite reading book.

This is an excellent way of promoting reading for pleasure, which we are working hard on in school.

### 'HEALTHY ME'

Our PSHE theme this half term is 'Healthy Me' whereby children are learning about healthy eating. Dudley have launched a new website, dedicated to providing tips and ideas for a healthy lunchbox – see the following link - Home | Healthy Lunchboxes | Dudley Public Health (dudleyhealthylunchbox.org.uk) Last week, children brought home an 'Eat them to defeat them' pack, encouraging them to eat vegetables on a daily basis. We hope that this provides you with lots of ideas for your child.
