## MESSAGE FROM THE HEADTEACHER

Dear Parents/Carers,

This week, children in Year 3/4 gave a lovely performance of 'Resurrection Rock', a retelling of the Easter story. They did a fabulous job, with wonderful singing and super acting. They were all very confident and they all enjoyed performing for parents/carers and grandparents. Thank you to everyone who came to watch. I hope you enjoyed the show as much as I did.

Next term, classes will be visiting the Kingswinford library. A letter has been emailed to parents/carers this week with dates on that each class is going. If you have not received this letter, please let us know. Paper copies are available from the school office.

Well done to Y4 children who went swimming this term. The swimming teachers were really pleased with all of their efforts and with the progress that they all have made. Next half term we will be taking Y5 for swimming lessons.

A big thank you to the staff who have taken Y5 on their residential to Astley Burf. The children have really enjoyed this experience and it is lovely to see how much they have gained from it. I am sure that they will return tired out and will need a good sleep!

A big thank you for everyone's donations for Red Nose day – we managed to raise £116 for the charity.

Have a lovely weekend and an enjoyable Easter holiday, and I look forward to seeing everyone return on Monday 8<sup>th</sup> April. Many thanks, Jon Stevens.

## Dudley Wraparound Care Survey

### Dudley MBC - Wraparound Parent/Carer Survey

**Do you use before or after school clubs? Would you like to but they're not available in your area?**

**Do you have a child approaching school age so you might need this type of childcare in the future?**

**Tell us what 'wraparound' care facilities you think are needed in the borough by completing a short survey.**

Wraparound childcare means childcare before school from 8am or after school until 6pm to support you to work, increase your current hours or seek work or to give children an opportunity to relax with their friends before or after school.

The survey will help to show where there is demand for this type of childcare, and potentially support local schools or childcare providers to develop affordable, accessible, good quality before and after school care that works for families.

The short survey will take about five minutes to complete. The survey closes at 5pm on Sunday 31 March.
